About Gladys Mungo and Haiti's Children, Inc.

Gladys Mungo, founder of Haiti's Children, Inc., (HCI) began travelling to Haiti in 2002 to organize, raise funds and staff on-going mission teams. Food, medical treatment and education were provided for an impoverished and remote village, Bassin Caiman, on Haiti's southern coast.

Gladys continues to lead mission teams for HCI to teach and work alongside our Haitian brothers and sisters. She has been living full-time in Haiti since 2008, returning to the U.S. during the summer months and December to speak and fund-raise.

Haiti's Children, Inc. is a 501(c) (3) corporation, providing primary and secondary education, vocational training, Kids' Clubs and food programs to needy children in Haiti. This, with medical clinics, construction, agricultural and environmental projects, is designed to assist poverty-stricken Haitians move toward self-sufficiency.

A key goal is to give children the chance to receive Jesus Christ as their personal Lord and Savior; to reassure the children of Haiti that God has not forgotten them. "God loves them, always has, always will."

If the Holy Spirit has touched your heart in any aspect to become involved in our ministry please contact Gladys, by email, face book or mail.

Mission for Haiti's Children

become leaders in their nation.

Children Sponsorship Program

Your sponsorship will fund a child's tuition to attend school, provide school supplies, school books, and a hot meal each day.

Please sponsor a child for only \$25/per month – that's 82 cents a day.

As a sponsor you will receive yearly pictures and letters from your child. Care packages may also be sent. And, if you come to Haiti with a team, you can meet your child and their family. Your sponsorship allows them to receive the assistance they need to grow and develop into the person God intended them to be.

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around." - Leo Buscaglia
